## CALIFORNIA NANOTECHNOLOGIES ISSUES STOCK OPTIONS

TSX VENTURE: CNO  
OTCQB: CANOF

LOS ANGELES, CALIFORNIA, December 18, 2018 - California Nanotechnologies Corp. ("Cal Nano" or the "Company") is pleased to announce that it has granted 835,000 incentive stock options to the employees, directors and officers of the Company. The options were granted pursuant to the Company's Stock Option Plan, which received shareholder approval at a Board of Directors Meeting held on December 13, 2018. The options were granted at the exercise price of \$0.05 per share which was the closing price on December 17, 2018. The stock options will vest over three years, expire after a five year period and are subject to TSX Venture Exchange requirements.

The options granted include those in the table below:

Name	Position	Options Granted
Eric Eyerman	Interim CEO	250,000
Roger Dent	Director	75,000
Sebastien Goulet	Director	75,000
David Grant	Director	10,000

*Reader Advisory*

*Except for statements of historical fact, this news release contains certain "forward-looking information" within the meaning of applicable securities law. Forward-looking information is frequently characterized by words such as "plan", "expect", "project", "intend", "believe", "anticipate", "estimate" and other similar words, or statements that certain events or conditions "may" or "will" occur. In particular, forward-looking information in this press release includes, but is not limited to the expected future performance of the Company. Although we believe that the expectations reflected in the forward-looking information are reasonable, there can be no assurance that such expectations will prove to be correct. We cannot guarantee future results, performance or achievements. Consequently, there is no representation that the actual results achieved will be the same, in whole or in part, as those set out in the forward-looking information. Forward-looking information is based on the opinions and estimates of management at the date the statements are made, and are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those anticipated in the forward-looking information. Some of the risks and other factors that could cause the results to differ materially from those expressed in the forward-looking information include, but are not limited to: general economic conditions in Canada, the United States and globally; industry conditions, governmental regulation, including environmental regulation; unanticipated operating events or performance; failure to obtain industry partner and other third party consents and approvals, if and when required; the availability of capital on acceptable terms; the need to obtain required approvals from regulatory authorities; stock market volatility; competition for, among other things, capital, skilled personnel and supplies; changes in tax laws; and the other risk factors disclosed under our profile on SEDAR at [www.sedar.com](http://www.sedar.com). Readers are cautioned that this list of risk factors should not be construed as exhaustive.*

*The forward-looking information contained in this news release is expressly qualified by this cautionary statement. We undertake no duty to update any of the forward-looking information to conform such information to actual results or to changes in our expectations except as otherwise required by applicable securities legislation. Readers are cautioned not to place undue reliance on forward-looking information.*

***Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.***
